Vers:
We'll do it all - Everything - On our own

We don't need - Anything - Or anyone

Omkvæd 1:
If I lay here - If I just lay here
Would you lie with me - And just forget the world?

Vers:
I don't quite know - How to say - How I feel

Those three words - Are said too much - They're not enough

[Omkvæd 1]

Omkvæd 2:
Forget what we're told - Before we get too old
Show me a garden - That's bursting into life

Vers:
Let's waste time - Chasing cars - Around our heads

I need your grace - To remind me - To find my own

[Omkvæd 1 + Omkvæd 2]

Omkvæd 3:
All that I am - All that I ever was
Is here in your perfect eyes - They're all I can see

Omkvæd 4:
I don't know where - Confused about how as well
Just know that these things - Will never change for us at all

[Omkvæd 1]
